Prefer a more “traditional” styling to your cupboard latches?

Consider Cliffside’s **Solid Brass Cupboard Latches (SBCL)**!

These latches are currently available in five of our top-selling finishes (Flat Black, Old Antique, Polished Chrome, Polished Brass, and Silver Satin). In addition, five *more* finishes will be added to our inventory in early 2009 (Antique Brass, Iron, Old Copper, Polished Chrome, and Venetian Bronze)!

See our product catalog or visit our website to find matching pulls, knobs, and hinges for every finish you see here and more! Matching screws for each latch are included with purchase.
